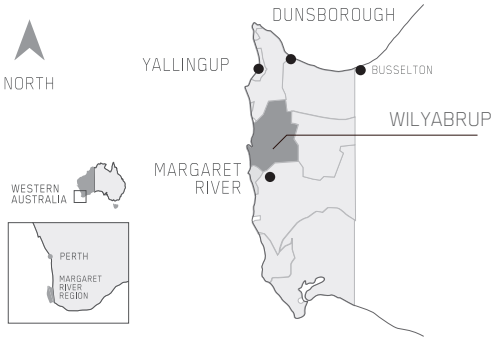
AMELIA PARK
[WINES]

2022
TRELLIS CABERNET MERLOT

Varieties
Cabernet Sauvignon, Merlot

Region
Margaret River



Vineyards
The Wilyabrup sub-region of Margaret River is predominantly sourced for its consistency in producing rich fruit flavours and a small percentage is sourced from the Treeton sub-region of Margaret River, located further south, providing subtle and elegant aromatics and fine tannins.

Season
Leading into 2022 we saw a cold wet winter, followed by a cool spring which resulted in good flowering and fruit set. The back end of the year warmed up and we then saw consistently warm, dry conditions which resulted in great vine growth and berry development. The fruit harvested showed beautiful flavour, balance and ripeness.

Harvest Date
March/April 2022

Winemaking
A number of parcels are sourced for this blend, once the grapes have reached optimal ripeness the fruit is harvested during the cool of night for delivery to the winery. The fruit is destemmed and sent to static fermenters for a long cool fermentation. Once pressed off skins the wine is pressed off to oak barrels for 9 months maturation of 9. Finally the wine is removed, carefully blended and prepared for bottling.

Bottling Date
June 2023

Closure
Screwcap

Analysis
Alcohol 14.5% TA 6.2 g/l pH 3.53

Cellaring
5+ years

Tasting Notes
This classic red blend is an easy drinking style, made to be enjoyed now. It has a lovely nose of raspberries and anise. The palate is soft and fruit driven with forest fruits and plums.

Tradition. Craft. Quality.
