2022
5 TALES CHARDONNAY

APPEARANCE
Pale straw colour with a green hue.

AROMA
Fresh citrus and melon aromas with delicate floral hints.

PALATE
The palate is medium bodied with stone fruit and fresh citrus flavours and a light touch of French oak. The wine finishes smoothly with balanced acidity and lingering ripe fruit flavour.

RANGE
Five Tales is the name of the ongoing story of the Credaro Family Estate. It's all about One Family that traces its history through Two Countries, and the legacy that was started by Three Italians, Olympio, Cesare and Maria. Now the family is in its Fourth Generation and tends to Five Vineyards in WA's south-west. The story is still unfolding.

WINEMAKER'S COMMENT
Our simple mission - to produce quality, consistently - guides our viticulture and winemaking practices. We are farmers at heart and we take pride in managing and working the family vineyards to produce exceptional fruit and quality wines. We farm with future generations in mind, so sustainable viticulture is of great importance to us.
