

dal zotto

2021
rosato

VARIETAL

Crafted from a blend of King Valley Sangiovese, Barbera and Nebbiolo.

AROMA

It starts with a bouquet of wild strawberries and a touch of watermelon.

PALATE

The palate reveals layers of fresh red fruits, spice and racy acidity. The finish dry and as crisp as a Granny Smith apple, fresh from a tree.

FOOD MATCHING

The Rosato sings with food - think salumi and antipasti - but you may find food is not needed, if the sun is out.

WINEMAKER'S COMMENT

The Dal Zotto family lives and works by the credo of family, tradition and innovation and with a third generation becoming involved in the vineyard, cellar door, kitchen garden and events, it seems there is plenty more family, tradition and innovation to come.
