

Dal Zotto

2022
Sangiovese

AROMA

The 2022 Sangiovese is full of delicate floral aromas followed by plum that instantly invites you in.

PALATE

The palate is fresh and vibrant with hints of blueberry and fleshy red cherry, finishing with lingering acidity and typical Sangiovese elegance.

WINEMAKER'S COMMENT

The Dal Zotto family lives and works by the credo of family, tradition and innovation and with a third generation becoming involved in the vineyard, cellar door, kitchen garden and events, it seems there is plenty more family, tradition and innovation to come.
