2021 MOJO SHIRAZ

WINEMAKER COMMENTS

A killer shiraz from one of the oldest regions in the country renowed for some of the boldest and juciest Shiraz - McLaren Vale. Delicio`us.

REGION

McLaren Vale, South Australia

THE LOW DOWN

Harvested, picked between 13.5 - 14.5 Beaumé. Five day cold soak, seven day ferment on skins, then gently pressed into a combination of 1-3 year old French and American barriques. The wine spent six months in oak prior to blending and bottling.

TASTING NOTE

The label gives it away; this shiraz is bright and punchy . On the nose, black raspberry fruits with hints of smoky tobacco. The palate follows with densely packed, plush red fruits with lashings of all spice and white pepper. Tannins are soft and sleek. Lively, raspberry, and spicier than the summer heat.

FOOD MATCH

BBQ! And any kind really, from BBQ pork ribs from southern USA to the traditional Aussie bangers in bread. You can't put a foot wrong.
