

BRUNO SHIRAZ 2021

Bruno is a homage. A local grower whose commitment to his vines and contribution to wine are so outstanding, he deserves a nod. Bruno captures an individual's passionate dedication to their life amongst the vines. In this release, our hero has hand selected premium blocks of Barossan Shiraz, to craft his name sake.

VINTAGE	REGION
2021	Barossa Valley, South Australia

TASTING NOTE

Density is evident from first whiff; a dark, brooding core of blackberry fruit with a touch of anise-like spice. On the palate, cool and poised yet generous and mouth filling; a mash of wild blackberry, salted plum and blueberry fruits which provides a touch of mid palate sweetness and refreshing minerality. The finish is fresh and precise, with vibrant acidity, clovey spice and finely etched graphite like tannins.

WINEMAKING

Our 2021 Bruno Shiraz is sourced from a number of old-vine vineyards from long-standing growers across the Barossa. Picked and sorted prior to destemming, fruit then spent 5 days cold soaking in order to extract colour and delicate aromas. A cool fermentation followed in open top fermenters with a small amount of whole bunches. Hand plunging followed. The wine was then pressed to large format 2nd and third use oak. Filtered and bottling followed. The final alcohol is 13.5%.

PAIRING

Serve at 6-18 °C. As a stand alone, Barossa Shiraz is full bodied and pairs well with rich eats. Think garlic and herb crusted lamb rack with duck fat potatoes. Drink now.
