Nocton

2023
ESTATE MERLOT

AROMA
Sweet raspberry, savoury aromas with a hint of rhubarb jam.

PALATE
The palate is soft with some delicate tannins. Subtle fruit flavours with a light sweetness in the finish.

WINEMAKER'S COMMENT
Every grape that goes into our wine is sourced from our vineyard, situated amongst the rolling hills of the Coal Valley. This allows us to perfectly capture the unique terroir of our region.

REGION
With the first vines planted in 1973, the Coal River Valley in southern Tasmania has become firmly established among discerning palates as one of Australia's most prestigious cool climate wine regions. As one of the most significant vineyard sites in the valley, we're proud to be part of this tradition.
