Dal Zotto

2022
Pinot Grigio

APPEARANCE

Pale straw.

AROMA

Bright and inviting; immediately appealing aromatics of fennel, pear flesh and a real presence of an indefinable yet enticing complexity.

PALATE

The palate is all about freshness, as the dry, taut and savoury nature of the wine demands another mouthful. The wine is full of crunchy and refreshing fresh fruit; a touch of nuttiness on the finish maintains the Italian feel to the wine.

WINEMAKER'S COMMENT

The Dal Zotto family lives and works by the credo of family, tradition and innovation and with a third generation becoming involved in the vineyard, cellar door, kitchen garden and events, it seems there is plenty more family, tradition and innovation to come.
