Otto Dal Zotto arrived in the King Valley with Prosecco running through his veins and a dream of producing the famous sparkling wine in his new home.

The Dal Zotto family have pioneered Prosecco in Australia, first planting it 20 years ago in 1999 and releasing the first vintage in 2004. And they've loved seeing it become a firm favourite for everyday celebrations everywhere.

Now, Otto and Elena's sons, Michael and Christian, are custodians of Dal Zotto Wines' future with Prosecco leading the way and with a full range of Italian varieties now putting their hand up for deserved attention.

In August 2019, Dal Zotto Wines received one of the greatest honours in Australian wine by not only being awarded a **FIVE-STAR rating** but also being named the **2020 Halliday Wine Companion Dark Horse Winery of The Year.**

ROSATO 2020

King Valley's dry conditions made for a smaller size crop than a traditional vintage leading to early flavor development and wines harvested at lower baumes. Lovely structured whites and reds with great depth have been a result.

A blend of our three Italian red varieties – Barbara, Nebbiolo, and Sangiovese, made in a dry style. The nose has rose petal and watermelon. The smooth palate has strawberry, cherry and pink lady apple, a hint of guava and gentle creamy notes finishing with some tangy acidity.

Winemaker: Michael Dal Zotto

12.4% Alc/vol
