

## Alcohol Free Sparkling Rosé

**Concept:** This alcohol-free sparkling rosé, crafted by the creators behind AIX Rosé, is an inclusive option designed to offer the sophistication of a sparkling wine for everyone, regardless of their drink of choice. Whether you're seeking a refreshing alternative or simply want to enjoy a celebration without the alcohol, this wine delivers vibrant fruit flavors, delicate citrus notes, and a lively effervescence. The careful selection of the finest grapes ensures a truly enjoyable, guilt-free sparkling wine experience.

**Appearance:** In the glass, this alcohol-free sparkling rosé reveals a vibrant, light pink hue, reminiscent of delicate rose petals kissed by the morning sun. The effervescence is lively, with a steady stream of fine, persistent bubbles that create an inviting and festive appearance.

**Nose:** : On the nose, it offers a pure floral bouquet, with delicate aromas of rose petals intermingled with vibrant notes of citrus, including zesty lemon and grapefruit, alongside fresh red fruit such as strawberries and raspberries. These bright, lively elements create a refreshing and uplifting profile.

**Palate:** The palate is well-balanced and complex, echoing the delightful aromatics found on the nose. It reveals refreshing flavors of citrus, with zesty lemon, grapefruit, and orange zest, complemented by vibrant red fruit such as strawberries and raspberries. Its minerality provides a lovely weight and purity of expression. The bright, gentle, and fine bubbles create a delightful mousse that dances on the tongue, enhancing the wine's freshness and lively character.

**Finish:** The finish is clean and refreshing, with lingering red fruit flavors and subtle citrus notes. The natural acidity ensures a crisp, dry finale that makes you want to sip again and again.

**Winemaker's note:** *"For years, this project has been a labor of passion behind the scenes—a quest to craft an exceptional expression for those who seek the pleasures of wine without alcohol, without compromising on quality. Drawing from my extensive experience with renowned sparkling wine producers, I've gained a profound understanding of the intricate techniques involved in sparkling wine production. Combined with in-depth research into the art of non-alcoholic wine-making, this creation represents a perfect balance of tradition and innovation. It's the result of years of dedicated study and meticulous development—an accomplishment I am immensely proud to unveil."*

**Food pairing:** This alcohol-free sparkling rosé is perfect as an aperitif, setting the tone for any occasion. It also pairs beautifully with a variety of desserts, especially those featuring red fruits, such as strawberry shortcake or raspberry tarts. Above all, this wine is meant to be savored in every moment—whether paired with food or enjoyed on its own, it's a celebration of life's pleasures.
