CULLEN WINES
WILYABRUP & MARGARET RIVER

2016 Mangan Vineyard Sauvignon Blanc Semillon

2016 was another exceptional vintage for the Mangan Vineyard.
A warm ripening period resulted in fruit arriving at the winery in superb condition. Good rains enhanced the growing season with no rainfall at all during the harvest period.
Those good farming conditions have resulted in elegant and perfumed wines defined by great purity.

3510 dozen produced

BOUQUET
Complex aromas of tropical notes, freshly cut grass and lemon citrus

PALATE
The palate has plenty of drive and displays intense notes of limes, lemon and gooseberry. The oak treatment playing second role here.
