CULLEN WINES
WILYABRUP & MARGARET RIVER

2017 Mangan Vineyard Sauvignon Blanc

2017 was another exceptional vintage for the Mangan Vineyard.
Sauvignon Blanc did especially well and we had a great end of the season delivering very high quality fruit.
Quantity was good too after 3 small vintages in a row. The wines display great purity of fruit and will age beautifully.
This wine has seen no oak to capture the essence of the Mangan Vineyard Sauvignon Blanc.
