THE PAWN

# The Pawn Wine Co.

## 2021
## GRÜNER VELTLINER

**VARIETAL**
Austria's most significant white grape. It is widely planted in the regions of Niederösterreich & Burgenland.

**AROMA**
This wine has a delicate bouquet of blossom and citrus with hints of ripe yellow apple and white pepper.

**PALATE**
Flavours of peach, white nectarine & spice compliment a slightly textural wine with tightly woven acidity & a dry, refreshing mineral finish.

**FOOD MATCHING**
With its 'pop rock' acidity and peppery edge, it is a must with anything Asian, and can definitely handle some food with spice and chilli.

**WINEMAKER'S COMMENT**
With the ever-increasing globalisation of the wine industry, we, like you, could be forgiven for thinking we were all just pawns in the big wine company game. The release of the Pawn is a manifestation of our resolve to amend this situation by releasing wines hand crafted from small parcels of premium fruit from our Adelaide Hills Vineyards.
