CULLEN WINES
WILYABRUP & MARGARET RIVER

2018 Cullen Vineyard Sauvignon Blanc

A very rare release from the Cullen vineyard: a pure Sauvignon Blanc.

Picked at optimal ripeness with great harvest conditions: 2018 vintage is characterized by poise and balance reflecting in the wine's texture and concentration.

Some of the fruit spent 3 days on skins in amphorae, giving extra layers of complexity.

Completeness has been enhanced through maturing the wine in new oak.

BOUQUET
Delightful combination of fresh cut grass, lime and vanilla oak aromas

PALATE
Very complex already with toast, stone fruit and lime characteristics.

Barrel fermentation is lifting the fruit purity and already feel melted within the wine
