2022 Dal Zotto Pucino Vintage Prosecco

Otto Dal Zotto arrived in the King Valley with Prosecco running through his veins and a dream of producing the famous sparkling wine in his new home. The Dal Zotto family have pioneered Prosecco in Australia, first planting it 20 years ago in 1999 and releasing the first vintage in 2004. And they've loved seeing it become a firm favourite for everyday celebrations everywhere.

Now, Otto and Elena's sons, Michael and Christian, are custodians of Dal Zotto Wines' future with Prosecco leading the way and with a full range of Italian varieties now putting their hand up for deserved attention.

In August 2019, Dal Zotto Wines received one of the greatest honours in Australian wine by not only being awarded a FIVE-STAR rating but also being named the 2020 Halliday Wine Companion Dark Horse Winery of The Year.

Classic Australian Prosecco, from the best block, expressing the one single year. A fine and floral fizz from Australia's first family of Prosecco, the pioneers. Fragrant apple, pear, and floral characters on the nose. On the palate it has lively apple as well as lemon sherbet and a smooth creamy texture. The acidity is well balanced with good length, which allows it pair well with cured salmon and cream cheese bites, a perfect aperitivo.
