

the falls

Sourced from scenic vineyards in the Adelaide Hills, The Falls echoes sensations of regional serenity; crisp morning air, birdsongs from treetops and speckled sunlight on dappled rises. This fruitful Sauvignon Blanc sings of citrus, cut green apple and hints of passionfruit.

Sauvignon Blanc	Adelaide Hills, South Australia

TASTING NOTE

The wine shows lifted, fresh and citrus flavours, underpinned with passion fruit and notes of grapefruit. The palate is slightly textured with a subtle crisp acidity. Bright, fresh and perfectly balanced.

WINEMAKING

Fruit was picked in the cool of the morning to retain natural acidity. Following destemming, a cool fermentation in stainless steel spent on lees allowed the wine to gain complexity and mouth feel whilst still retaining freshness. The wine was racked and bottled.
