AMELIA PARK
[WINES]

Tradition. Craft. Quality.

Amelia Park

2021
G-Fizz Pet Nat Grenache

PALATE

Fun and fizzy. Delicious flavours of ruby red grapefruit, paw paw and sherbet. This is a party in your mouth!

VINIFICATION

Pet Nat, Pétillant Naturel, is a type of sparkling wine. It is made by a natural process called Méthod Ancestrale, where before the wine's fermentation process is complete, it is bottled. This early bottling results in carbon dioxide being formed from the natural sugars already in the wine and turning into bubbles. Due to the natural fermentation the appearance of the wine can be cloudy.

CELLARING

Made to be enjoyed whilst young and fresh.

WINEMAKER'S COMMENT

We believe fine wines come from a rich blend of time-honoured method and modern technique. Winemaking is our passion. Each wine is hand-crafted and captures the essence of the fruit. Quality is at the heart of everything we do.
