2019 CABERNET SAUVIGNON
Tasting Notes

VARIETY
Cabernet Sauvignon.

ORIGIN
South Eastern Australia.

VINTAGE
2019 was a warmer year than average which saw higher yields and more opulent fruit characters. Whilst conditions were not necessarily in our favour, the resulting wines show fruit intensity and structure.

VINIFICATION
Harvested at peak ripeness to display opulence of fruit, the wine underwent a period of cold soaking to extract colour and aroma. Fruit was pressed to tank to finish fermentation prior to spending some time in barrel. Bottling followed.

TASTING NOTE
The wine shows lifted notes of berry, plum, liqourice and clove flavours.

FOOD MATCH
Beef short ribs with a side of roasted portabello mushrooms..
Serve at 16-18°C.
