

Pinot Noir

Marlborough New Zealand 2023

Sustainably Grown | Vegan Friendly

Harvest & Winemaking notes:

Sourced from the Southern Valleys, this pinot noir went through fermentation in open top fermenters, with 20% whole bunch and was hand plunged. Aged with French oak.

Winemaker: Sanna Stander

Tasting notes:

Bright garnet in colour, this wine is savory and earthy with black cherries, boysenberries, and a hint of cinnamon spice. The juicy palate flows through to a fruit-driven core of crunchy red currants, dried cranberries, black olive, and a light smokey finish. This pinot noir is opulent with round tannins, a good structure and an elegant finish.

Beautiful with rich game dishes.

Analysis:

SUB-REGION	Southern Valleys
SOIL TYPE	Windblown loess over clay
VARIETIES	Pinot Noir
PH	3.66
TA	5.5 g/l
RS	1 g/l
ALCOHOL	12.5%
