2022
Tumbarumba Grüner Veltliner

VARIETAL

Gruner Veltliner is a white grape variety native to Austria, Slovakia, Hungary and Czech Republic.

AROMA

The 2022 Grüner Veltliner displays aromas of grapefuit, stone fruits, citrus and subtle spice.

PALATE

The palate is vibrant and juicy with lovely salivating acidity and texture.

VINIFICATION

De-stemmed, lightly pressed to stainless steel for fermentation. Filtered and bottled in September 2021.

TECHNICAL ANALYSIS

pH: 3.1
Acidity: 7.3 g/L

FOOD MATCHING

The texture and volume of this varietal means it is a very versatile wine to match with foods. It is well suited to the bold flavours of Vietnamese cuisine such as summer rolls and noodle salads. Mexican foods such as fish tacos are also a great match and of course schnitzel and other fried foods.
