2019
Hilltops Malbec

VARIETAL

Originating in Bordeaux, France, Malbec is one of only 6 grape varieties permitted for use in Bordeaux red blends. Celebrated all over the world, Malbec is the most famous of Argentina's red wines.

AROMA

Singing with big blue fruit and beautiful floral notes.

PALATE

Rich but medium bodied red.

FOOD MATCH

Perfect in cooler weather enjoying beautiful red meats and heady roasts.

REGION

Grown on the Moppity vineyard in the Hilltops region of New South Wales. The vineyard was planted in 1973 and is responsible for some of the best wines made in New South Wales, including Jimmy Watson Memorial Trophy winning Eden Road Shiraz made in 2008. At 500 metres above sea level, the vineyard is exposed to warm, dry days and cool nights, which makes it ideal for growing Malbec.
