

NICK SPENCER WINES

2021 PETILLANT NATUREL

A Sparkling wine made from Grenache and Sangiovese using a traditional method of sparkling wine production that predates the Champagne Method. The Wine is not disgorged and carries the yeast lees from fermentation.

Drink at any time of the day and with any food imaginable!

"Spice and alpine herb, cherry cola thing happening, though it's not sweet, as such. Strawberry and a cooling Ricola hard sweet flavour, light playful bubbles, a little orange and peel bitterness on a good long finish. Love this. Top effort."

- Gary Walsh (The Wine Front)
