

Oliver's Taranga

2019
HJ Reserve Shiraz

AROMA

Violets, blackberry pie, mocha, spice and mineral notes.

PALATE

Savoury spice, mocha and plummy sweetness through the palate. Layers of flavour, the tannins are fine, silky and integrated perfectly. A wine with plenty of length and mouth-filling generosity.

VINTAGE

2019 was one of the hottest summers on record, and the dry season resulted in a 30% reduction in our crop. While there was no impact on the quality, it means we have a bit less to share with you this year.

RANGE

HJ was a lover and a fighter. He fought to win the affections of his sweetheart Marjorie, before serving in WWII. He then fought to realise his vision of seeing the Taranga property produce only high quality grapes. This commenced with his planting of the 'old block' Shiraz in 1948- the same McLaren Vale vines that form the base of this reserve Shiraz today.
