Mencia

VARIETAL

100% Mencia.

AROMA

Black pastilles, violets and lilacs, cherries and blueberries. A savoury herb edge.

Medium bodied on the palate, but finished with mouthcoating tannins. There is a real plushness to the palate, flavourful and full of floral and cherry fruit elements. Fruit, oak and tannin all knit together seamlessly with immaculate balance.

VINIFICATION

From its traditional home in Spain this variety is new to Australia and it's packed with flavour. Made in the 'Joven' style - meaning that is has limited oak and is fresh and slurpy and ready to drink.

FOOD MATCHING

Whip up some Paella and settle in for a long lunch.
