MARGARET RIVER

Credaro

2021
1000 CROWNS CHARDONNAY

APPEARANCE
Pale straw with a green tinge.

AROMA
Fragrant white peach and citrus notes with pear and subtle nougat nuances.

PALATE
Medium-full bodied palate with flavours of stonefruit, zesty grapefruit and citrus blossom complemented by a creamy texture from lees influence. The fine, delicate acid line provides a mineral framework for the wine and allows the fruit flavours to linger through the long finish.

RANGE
Our great grandfather Cesare and his brother Olympio paid 1000 crowns for the land they settled after immigrating from northern Italy. Today we call our premium wine collection after the amount paid for the land that secured the Credaro family future for generations to come.
