SIDURI®

Siduri, named for the Babylonian goddess of wine, specializes in cool-climate Pinot Noir from growing regions across California and Oregon. Our winemakers' constant pursuit of Pinot perfection has led to long-standing relationships with top growers in premier appellations from Oregon's Willamette Valley to California's Santa Barbara County.

2020 PINOT NOIR
RUSSIAN RIVER VALLEY

The key to our Russian River Valley Pinot Noir is the diversity of its sources. This sounds odd, given that the wine comes entirely from within the Russian River Valley AVA, but this region is large and possesses a myriad of soils, exposures, and unique terroirs that together produce a superb representation of the whole of the Russian River Valley. This 2020 offering showcases this area in all its complexity while also making for a wine that is eminently drinkable upon release.

AROMATICS: Black cherry, Violet

PALATE: Plum, nutmeg, anise

ALCOHOL: 14.7% | TA: 5.7 | PH: 3.66

AGING: 30% new French oak for 10 months

VINTAGE NOTES

The 2020 growing season in the Russian River Valley provided ripe fruit flavors at somewhat lower brix levels than normal. Harvest began in mid-late August and we were able to avoid the smoke damage that put a damper on the harvest thereafter.

WINEMAKING NOTES

The final blend was culled from 7 vineyards in the Russian River Valley. The blend showcases the earthy, fog blanketed sites of the western edges of the Russian River Valley alongside the warmer, more fruit-driven sites of Green Valley and the Santa Rosa plains. All blocks and clones from each vineyard were picked and fermented separately and blended together after a rigorous barrel selection. Our final selections were "married" in tank after 10 months in barrel, and then returned to barrel where they finished aging. 10% whole cluster fermentation for additional complexity.
