2019
Reserve Shiraz Pinot Noir

AROMA

Showing floral notes of blueberries and spice, undertones of cassis and dark cherries, this is an extremely moreish wine.

PALATE

Elegantly structured, the blend combines the rich earthy tones of Hunter Valley Shiraz with the vibrancy of Pinot Noir.

WINEMAKER'S COMMENT

We have been huge fans of this wine since it arrived because, quite simply, it just tastes so good!

RANGE

A relatively common blend in the Hunter 80 or so years ago, Shiraz Pinot Noir is now enjoying a fantastic resurgence among young Hunter winemakers.
