STORM 9 BAY

Storm Bay

2021
Pinot Noir

APPEARANCE

Ruby red.

AROMA

Delightful aromas of currants, red berries and spices.

PALATE

On the palate, ripe and lingering spice flavours along with savoury tannins give this wine great length.

CELLARING

Due to the vibrant fruit and natural acidity this will cellar well for the next 2-3 years.

REGION

Named after the notorious mouth of the river Derwent, the Storm Bay range is inspired by Tasmania's maritime climate. The islands' surrounding ocean moderates temperature, and along with pristine air and pure water, facilitates world class grape growing conditions. Made entirely from fruit sourced from Nocton Vineyard, the Storm Bay range is crafted to be extremely approachable and fruit driven in style.
