STORM BAY

Follow the Coal River just 3 km north from the picturesque sandstone village of Richmond in southern Tasmania and you come to Storm Bay Vineyards where the ancient tertiary clays and limestone coupled with long, slow ripening produce wines with finesse and elegance perfectly representative of Tasmania's cool maritime climate.

2018 Storm Bay Sauvignon Blanc

Notes

Variety			100% Sauvignon Blanc		
Method			Tank ferment		
Oak			None		
Alc	13.0%	pH	3.16	TA	7.2

Tasting Notes

2018 was an early, exuberant year offering bright acidity and concentrated but fresh flavours. This is classic Tassie Sav Blanc with a riot of stone fruits and fresh herbs to a long, clean finish.

Winemaking

Designed to highlight Southern Tassie's specific flavours, most of the "winemaking" is really done in the vineyard with careful viticulture. In the winery, a cool ferment in tank is followed by early bottling to preserve the maximum amount of primary fruit.

Food

Soft goat's cheese on crusty French bread, crunch celery sticks and dip or salt & pepper squid. Whatever takes your fancy.

271 Colebrook Rd,
Richmond.
TAS, 7025
