UPPER BARN VINEYARD CHARDONNAY

TASTING NOTES

The Upper Barn Vineyard produces our most transporting Chardonnay, delivering a truly unique wine that can only be crafted from this site 1,800ft up the mountain. The 2018 Upper Barn Vineyard Chardonnay showcases bright ripe peach and fresh ginger on the nose. The palate continues the experience with rich stone fruits, cashew, honey and ample minerality. The texture is both opulent and elegant, with a unique concentration and structure that will only improve with cellaring. This wine is perfectly balanced with a lingering, mouthwatering and round finish.
