MARGARET RIVER

FIVE TALES

COLOUR

Vibrant pale pink.

NOSE

Rich sour cherry and plums. Lifted vibrant black cherry characters

PALATE

Bright fruit screams on the palate. Sour Cherry, jubey berries with a rich savoury salivating texture allows the palate to grow. Powdery phenolic adds to acid line to add length and depth to the finish

WINEMAKING

Our Merlot was handled to minimise colour pickup. Once ferment was complete, we lees stirred the wines to add depth on the palate. Keep things simple to express true nuances of the of a bright savoury Rose

VINTAGE NOTES

It was a cool and wet start to the season through spring, with rainfall double the long- term average in November. La Niña created a strong cyclone season in Western Australia in February and March, resulting in unusual warm and moist conditions for the south-west. A major rain event a week after Easter all but closed the door on Vintage 2021. Disease pressure from Botrytis was a major risk throughout the season. Astute vineyard management and a more northerly vineyard base allowed us the opportunity to pick all fruit at an optimum time.
