credaro
MARGARET RIVER

Credaro

2020
KINSHIP SHIRAZ

APPEARANCE
Deep purple/red in colour.

AROMA
Intense brooding, dark berry fruits and floral characters with hints of spice and leaf. Forest floor earthy complexities; give a savoury tone underlying the pristine fruit.

PALATE
A rich and concentrated palate, with dark cherry and plum fruit characters intermingling with savoury, earthy notes. The fruit flavour persists long through the finish, with elegant fine tannins and hints of violets and herbs.

RANGE
Kinship is the foundation on which the Credaro Estate is built. We celebrate the kinship of the two brothers that came from Italy to find a new life, and the kinship of all the fathers, mothers, sons and daughters that have worked together to build our legacy since then.
