2022 KINSHIP SHIRAZ

APPEARANCE

Vibrant dark purple with a rich dense mulberry hue.

AROMA

Vibrant perfumed nose of mulberry, hints of blue fruits, rich spice, and savoury.

PALATE

Lifted fruit-forward wine with flavours of mulberry and blue fruits. The wine exudes a plush, sweet-fruited, savoury midpalate. A rich, sweet spice cuts through the palate to give the wine a graphite tannin profile. The depth of fruit adds to the finish of this sweet, juicy Shiraz.

WINEMAKER'S COMMENT

We use only our own grapes, and nurture them with minimal intervention through the process to the bottle. In addition to Fragola, we have a range of varietals across our vineyards, and honour the land with our premium Cabernet Sauvignon and Chardonnays, which thrive in the region.
