MARGARET RIVER

2019 Legacy Series Fruit Day Malbec

This Malbec was harvested from Mangan Vineyard on the 20th March, a full fruit day on the biodynamic calendar. It was crushed to amphora where it spent 54 days on skins. In order to emphasise the fruit tannins and beauty we have only used 2nd fill barriques for a total of 4 months élevage before bottling. It has had no fining.

COLOUR
Mulberry with dense purple tinges.

BOUQUET
Intensely perfumed and pretty. Rose, violets, plum, cherry, strawberry, black pepper, dark chocolate.

PALATE
Unctuous, full balanced, chocolate mousse texture with phenolic tension from ripe tannins, driving the beauty across and around the palate. Soft and seductive and yet so much time ahead of it. Truly an artisanal masterpiece.

CELLAR
Enjoy now or for up to 30 years

DRINK WITH:
Confit duck marinated in red rose petals.

VINEYARD
100% Mangan Vineyard

VARIETIES
100% Mslbec

HARVEST
20th March, Fruit day

OAK
4 months in second fill barriques

ALCOHOL
13.0%
