FREETHINKER SHIRAZ 2021

ORGANIC — VEGAN
MINIMAL INTERVENTION

Not your Dad's shiraz.
Bright young wine, for bright young minds, seeking more from their South Australian shiraz.

Spend all night with this gorgeously gluggable red filled with juicy red plums and jubey blackberries. Pop it in the fridge an hour or so before serving to reveal its natural beauty.

These Shiraz grapes are handled-with-care in a hands-off kinda way.
Organic and vegan-friendly.

Drink now. Serve (slightly) chilled, naturally.
