2021 HEAD RED

Cabernet Sauvignon

BAROSSA

I've been banging away at Cabernet for a good 10 years now and never felt the desire to bottle one. It can be a wonderful blending tool in the Barossa. As time passes and my 'Vineyard Monopoly' game gets better, I had to hand in my opus. Of course, if you know me, you'll know there would be an old-world twist to my wine and well, here you have a great blend of the best of the richness of Barossa Cab and Bordeaux's arrogance and class.

'HEAD RED' wines are produced with balance and drinkability in mind without sacrificing true Barossan character. Bottled unfined under Stelvin capsule.

"2021 HEAD RED Cabernet Sauvignon hails from one of the great Barossan years. Loaded with cassis leaf and warm blue & blackcurrant fruit leading into a narrow band of black & plummy fruit on the palate. The tannins are a real hoot – so fine and chocolatey. Should pair well with Steak Frites and Bordelaise sauce. I am in heaven☺"

RAINFALL:	461ml (April 20-March 21 avg. 465ml)
VINEYARD:	Ebenezer (Barossa Valley 85%), Flaxman Valley (Eden Valley 15%)
VARIETAL:	85% Cabernet Sauvignon, 15% Merlot
