REGIONAL SELECTIONS

PINOT NOIR

VINTAGE 2021

ADELAIDE HILLS

HESKETH WINES

The Regional Selections represent vineyard & varietal combinations which are recognised for excellence, or emerging varietals which are eminently suited to each region. The motivation is quality, and the result is a range of wines which are hand-made from specific vineyards to bring you the best of each growing district.

About the variety

Pinot Noir's traditional home is Burgundy in eastern France. Temperamental to grow and thin skinned, Pinot prefers cool climates and requires low yields to concentrate flavours. So, it's expensive as well as somewhat risky to make. Challenging but definitely worth the trouble.

Pinot Noir thrives in the Adelaide Hills due to its high altitude and cold climate. The cool growing conditions suit the sensitive nature of the variety, producing wines which are pristine expressions of both variety and region.

Tasting notes

Appearance: Crimson with purple hue

Aroma: Lifted red fruits from strawberries to cherries and plum. Some savoury spice, earthy notes and hints of forest floor. Perfumed.

Palate: The palate features crunchy, fresh natural acidity, elegant flavours of red cherry and cranberries which are supported by a fine-grained oak tannin structure and a long, persistent finish.

Summary: Perfumed, fine, savoury and elegant.

Technical

Alc: 12.6%
pH: 3.6

TA: 4.8 g/L

SUSTAINABLE MINIMAL INTERVENTION WINE GROWING
