

LES PETITES ROCHES BLANC 2024

DOMAINE CHARLES JOGUET – A.O.C. CHINON BLANC

Domaine Charles Joguet's vineyard covers 35 ha in A.O.C Chinon, planted in Cabernet franc et in Chenin blanc. Its team is led by Jacques Genet, Anne-Charlotte Genet in sales and Kévin Fontaine, in charge of the vineyard and the vinification.

The Domaine has been working organically for several years and especially focusing on developing the biodiversity : hedges and trees plantations, a good fertilization management, development of the flora and the fauna in the vines...

The vineyards reflect the rich diversity of the terroirs, from the gravelly terrace offering light and perfumed wines to the clay-calcareous slopes offering long keeping wines. Each plot produces small yields,

Each year, the harvest – done by hand - require an experienced team of 40 pickers. Grape picker empty their buckets into 15 kg cases, grapes are then transported in small quantities and are quickly conveyed to the winery, where an arsenal of stainless steel equipment is ready for the last grape sorting operations. Each clos and each nature of terroir are vinified separately.

Grape variety Chenin blanc

Location Anché – Left bank of the Vienne River

Terroir Clay and limestone

Vinification and ageing
