

Côte de Beaune

# PERNAND-VERGELESSES LES COMBOTTES

## Appellation Village

Chardonnay

### SITUATION GÉOGRAPHIQUE

The vineyard is located rather high on the hill of Pernand-Vergelesses, not far from the Hautes Côtes de Beaune Appellation.

### CARACTÉRISTIQUES

The soil is mainly composed of brown-yellow marls and clay dating back to the young Jurassic period (about 150 million years). The surface is very rich in oxide, mainly iron explaining the brown colour.

### VINIFICATION ET ÉLEVAGE

Grapes are harvested by hand and put in small cases in order not to damage the fruits. Grapes are pressed softly, they ferment in oak barrels produced by our cooperage. 1/3 are new barrels. Aging usually lasts 15 months on fine lies before bottling.
