2016 Dark Horse Vineyard 'Scuro'

WINEMAKER:
Chris Carpenter

"Scuro" is a blend of Sangiovese and Shiraz from our Dark Horse Vineyard, co-harvested and co-fermented. Scuro (meaning "Dark") is named for both its Italian roots and for the impressive dark colour that took us by surprise during fermentation.

Extended maturation in French Oak Hogsheads has resulted in a powerful and generous wine with a deep ruby hue, rich palate and great cellaring potential.
