# 2019 Dark Horse Vineyard Sangiovese

**WINEMAKER:**
Chris Carpenter

Our Sangiovese shows cherry and mulberry aromas, with cinnamon & clove spices and a fully flavoured and savoury palate with soft tannins.

Sangiovese is perfect for Australian cuisine, suiting red meats and strong flavours from the BBQ - yet, given its Italian origins, it is no surprise that the lighter structure and vibrancy make our Sangiovese the perfect choice for more casual occasions and a wide range of dishes.
