2025 CABERNET SAUVIGNON | LANGHORNE CREEK

WINEMAKER COMMENTS

Welcome to Langhorne Creek, where Cabernet Sauvignon is one of the leading variety planted vastly across it's free draining soils and maritime ripening conditions. A hero region for Cabernet Sauvignon, think old style meets new. Supple in the front, blackcurrant in the back.

REGION

Langhorne Creek, South Australia

THE LOW DOWN

Picked at optimal ripeness, the fruit was cold soaked to enhance colour, flavour and soft tannins. Following fermentation, the wine spent five months in seasoned French and American oak, adding subtle spice and structure before bottling.

TASTING NOTE

A smooth talker in the crowd. Think ripe blackcurrants and lush dark cherries dancing with a refreshing whisper of mint, finished with a sprinkle of spicy clove and a dash of cedar from its oak journey. Polished yet vibrant, it’s full of energy and charm. This Cab is daring, cheeky, and impossible to resist!

FOOD MATCH

Perfect with rich and hearty dishes, as it tends to brighten them. You can never fail with classic pairing of good ol' grilled steak, chips and cabernet.
