

2025 SAUVIGNON BLANC | MOUNT LOFTY RANGES

WINEMAKER COMMENTS

There's no mistaking this is Savvy B. Here it is in all its zesty finery. South Australia's cool climate delivers a natural freshness that can't be beaten. Better than the Savvy B your mum drank in the 80s.

REGION

Mount Lofty Ranges, South Australia

THE LOW DOWN

Harvested at night at 12.2–12.5 Beaumé from vineyards at varying stages of ripeness, ensuring a full spectrum of varietal expression from herbaceous to tropical. The fruit was chilled and crushed straight into the press, with fermentation carried out in stainless steel tanks at 12–18°C. The wine was gently filtered before bottling.

TASTING NOTE

Undeniably Savvy B, through and through. Bursting with vibrancy, it shows bold tropical notes that jump straight from the glass – juicy passionfruit, tangy lime, and a lift of fresh peach blossom. The palate is alive with zippy lemon-lime curd, balanced by bright acidity and a delicate grassy, herbal nuance. Super refreshing, crisp, and dry, it's built for easy drinking and endless enjoyment. Perfumed, tropical, crisp.

FOOD MATCH

Do you need to? Perhaps a rich ceviche with lots of coriander or for those vegos out there, a stirfry greens with garlic, basil and chilli wouldn't go astray!
