

2021 Mountadam

Eden Valley

Five-Fifty Pinot Noir Rosé

The Mountadam Vineyards Five Fifty range is aptly named after the Estates altitude of 550m above sea level. All Mountadam wines (including the Five Fifty range) are sourced entirely from our Estate of 147 hectares undervine. The Five Fifty range offers amazing quality for price value with this wine crafted from a dedicated pick of Pinot Noir grapes, exclusively High Eden GI, unfinned, vegan friendly.

Pinot Noir was harvested entirely from the Estate with 80% from Block 1 and 20% from Block 10 using a selective destemming harvester during the cool of the night. The juice was treated oxidatively, whole berry pressed and cool settled in tank off heaviest solids. The juice was fermented in cooler temperatures of 13-15 degrees through to dryness.

Bottled : 27th July 2021

pH/TA: 3.20/5.5

G&F: 1.0g/L

Alcohol : 14.1%
