PICKED

28th Feb & 1st April 2024

Our 8th release, the 2024 Rocket Chardonnay, once again launches from the elevated slopes of Lenswood, a site that continues to define purity and tension in Chardonnay. The season delivered fruit of exceptional intensity and clarity, captured here in a wine that is both powerful and precise. Aromas of lemon pith, brown lime and white stone fruit are layered with subtle struck-flint complexity and a touch of nutty oak. The palate is driven and tightly coiled, with mineral acidity and a fine pithy edge carrying the fruit through a long, moreish finish. Full malolactic fermentation and 45% new oak bring texture and gravitas without weighing down its energy. A focused, linear Chardonnay with lift and length a wine of momentum and quiet force.

98 Points, James Suckling and 4th in Top 100 Australian wines 2025

95 Points, Sydney Royal Wine Show 2025 - Gold

95 points, South Australia Wine Guide 2026
