

Murdoch Hill

2023 JUPITER SANGIOVESE

PALATE

Vibrant red wine crafted in the cool climate of the Adelaide Hills. Known for its medium body and bright acidity, Jupiter offers a fresh take on this classic Italian varietal.

It showcases notes of red cherry, raspberry, and subtle hints of herbs and spice, making it a versatile wine with food.

WINEMAKER'S COMMENT

The vineyard's focus on minimal intervention and careful site selection allows Jupiter to express the region's terroir, delivering a balanced and approachable wine.

REGION

Our home vineyard and winery are located behind the township of Oakbank in the beautiful Adelaide Hills.

Our grandfather bought this farm in 1939 – and, 60 years later, in 1998, our parents planted vines here. So we are the third generation caring for this land.
