### 2024 WHITE ROCKS RIESLING

---

#### PALATE

The lively palate shows lime, lemon and spice with hints of crushed apple.

---

#### VINIFICATION

A single vineyard wine sourced from the Westering vineyard opposite Lake George. The grapes were hand harvested at 11.3 Baume and whole bunch pressed. Juice was cool fermented in stainless steel and the wine held on light lees until bottling in June 2024.

---

#### CELLARING

Mouth watering laser-like acidity will ensure this wine will live for many years.

#### WINEMAKER'S COMMENT

Since our beginnings, well over a decade ago, our focus has always been to make hand worked Shiraz and Riesling wines that truly exhibit the character of our region as well as expressing our unique personality and style.
