

2026 Pinot Noir *Adelaide Hills*

*A bandit and his outlaw dog on a vinous crusade.
Born from the rugged Hills, Crafted in the ancient Creek.
Innovation defying the ordinary. A rebel with a cause.*

Pinot Noir doesn't always have to be complicated
The 2026 El Desperado Pinot Noir is all about drinkability

Bright, vibrant & dangerously smashable, this is a wine made to be
opened young, shared with friends & enjoyed without overthinking it

Bursting with aromas of black cherry & raspberry, the palate
delivers electric strawberries, red fruits, subtle spice,
balsamic & a touch of savoury earthiness

Soft tannins & bright natural acidity keep everything fresh
& lively, making this a Pinot that disappears from
the glass far quicker than expected

I sourced fruit from two very different sites across the Adelaide Hills
The cooler southern vineyard, influenced by altitude & Southern
Ocean breezes, brings perfume, freshness and elegance

The warmer northern site, wild, untamed & land locked
contributes generosity, plush ripe fruit & soft tannins

Together they create a Pinot Noir that captures the best of
both worlds - vibrant, expressive & ready to drink

Pinot Noir has long been known as the winemaker's holy grail
Temperamental in the vineyard & demanding in the winery,
it rewards patience, precision & a little bit of luck
Fortunately, this vintage delivered all three
