IL NEBBIO

LANGHE D.O.C.

GRAPE VARIETY:
Nebbiolo and a small amount of pinot noir.

VINEYARDS:
Il Nebbio is our young and fresh expression of such a great and noble grape variety as Nebbiolo.
Since a few years we have decided to add a little portion of Pinot Noir as well.
Sourced from a selection of our vineyards in the Barolo area in Serralunga d'Alba, in Treiso in the Barbaresco area, in Diano d'Alba and Trezzo Tinella.
Early harvested.

VINIFICATION:
Short maceration followed by fermentation in stainless steel tanks.

AGEING:
In stainless steel tanks until the bottling in the month of March, after the harvest. No wood ageing.

NOTES:
Red currant flavors and sweet fruit. Soft and round tannins, enhancing the fresh and mellow character. Crisp and young, with medium structure. It may age well, enhancing the great Nebbiolo character. **Serve at cool temperature.**
