

RED CLAW
MORNINGTON PENINSULA

2025 Red Claw Pinot Gris

The 2025 season saw a welcomed return of warm and extended summer conditions, producing full flavoured wines with impeccable intensity and balance.

Region	Mornington Peninsula
Alc	12.5%
Winemaker	Tom Carson, Luke Lomax
Harvested	17 February – 3 March

Winemaking

Handpicked between 20th February and 3rd March, the fruit was whole bunch pressed into tank. After cold settling overnight, the juice was racked to another tank for fermentation. Parcels left on yeast lees until early June to gain mouth feel and complexity, then estate bottled in late June.

Tasting note

This Red Claw Pinot Gris has lovely freshness, lifted floral aromas and clean, fine fruit flavours. Showing a hint of nashi pear, subtle spice and a long, finely textured palate. Best enjoyed young.
